Important - Please Read

The YMCA of Columbia-Willamette is a mission driven organization, which seeks individuals who are enthusiastic and passionate about our purpose and mission. We do this by putting the Christian principles of love, respect, honesty, responsibility and service into practice.

YMCA Camp Collins is committed to providing a safe environment for our campers and staff. We are aware that there are people who seek employment working near children for the wrong reasons. Therefore, through the initial screening process and on-going supervision, we do everything in our power to monitor the safety and well being of our campers and staff. In order for YMCA Camp Collins to attract the highest quality staff, extensive inquiries may be made concerning your prior employment and background.
