Before and After School Enrichment Registration Fall 2017 - 2018

Dear Parents,

Thank you for taking the time to preregister your child (ren) for the YMCA Before and After School Enrichment 2017—2018 program. All current participants, including those on the Year-Round Package for 2016-2017 need to reregister. You may submit your registration any time, but please note that registration opens to the general public on June 26, 2017. Space is limited at some locations so be sure and get your registration in early.

Please complete each form to the best of your ability. If you are unsure of days of attendance, mark the days that your child will most likely attend. When you have completed the forms please return them in person or by mail to the School Age Program Office with the appropriate registration fee. Registration fees for the 2017-2018 school year are \$50 for one child or \$75 for two or more children. Registrations are processed upon receipt at our office.

Registration | Multiple Children

A Parent Confirmation and Agreement form can be used for up to two children. The Health Form is for one child only. If you need additional forms you may contact the Program Office or go online and print them from our website. Faxed copies are not accepted.

Rates for the 2017-2018 school year are included with this registration packet. All fees are monthly and are based on the school calendar as of May 2017. Rates may change due to Districts rescheduling their calendars. Rates and package prices may also be reevaluated for increases in January 2018.

Registrations need to arrive in the Program Office 10 business days prior to the first day of school to participate in programs the first week of school. Once we have processed your registration, a letter will be sent to you to confirm your days of attendance, package choice and monthly payment. If any of the information has changed, including phone numbers, days of attendance and package choice, please contact the School Age Program Office. Any registration submitted after August 14, 2017, will need to include the September payment and are not guaranteed space the first week of school.

Space is limited at some locations. Registrations are processed on a first-come-/first-serve-basis.
